President's Page

As I write the President's Page the cold nights have set in and we have even had a couple of windy cold days, which tends to cut down the hours we spend in our sheds.

Had an invite to Glenda and Greg's 30th Wedding Anniversary along with a handful of club members to celebrate the occasion, but to our surprise they renewed their wedding vows! Congratulations to the happy couple.

Thank you to all the members who pitched in to fit the seat slats to the pair of Botanical Garden seats, they have had finish applied and have 'left the building'.

Thanks also to the members who attended the Toy Working Bee (our first for the year), and thanks to Neil Armstrong for supplying the samples to get the ball rolling. I was unable to attend due to a work commitment.

We have had 11 Supervisors do their 'Workshop Supervisors Review'. Thank you for their attendance and input. From that input it all comes back to reporting to the Supervisor before using any machinery.

The Copulos Group (Riverside Plaza) have again requested our attendance to conduct a "Make a Toy" event during the July School Holidays. Dates and times are Saturday 2nd and Sunday 3rd, then Friday 7th, Saturday 8th and Sunday 9th July. All sessions will run from 11am—2pm. More details later. By the time this page goes to press we would have had the *Sharpening Workshop* thanks to Perrie.

Our next scheduled workshop: *Finishing and Finishes* will be 24th May 2016 at 6.30pm, which is a Tuesday evening.

Don't forget the North East Woodies Gathering at Wangaratta on Saturday 28th May. For our new members the gathering consists of clubs in the above area: Albury-Wodonga, Corowa, Wang and Shepparton. The agenda usually consists of: a report on the club activities for the past year, 'Show and Tell', commercial sales, demonstrations and the 'passing of the batten' to the next host club. Lunch, Morning and Afternoon Tea will cost you \$20 for the day, so please put your name on the Whiteboard if you are interested and a bus can be organised.

Keep warm,
Len

MERRIGUM

Neil and I headed off to Merrigum on a very pleasant day, we set up Neil's lathe and put out the pieces that we hoped to sell, we also had the club banner displayed advertising the Woodies. Nina was there without Ron who was not in the best of health, she had a young lad with her who showed a lot of interest in the day.

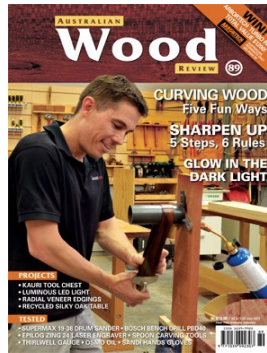

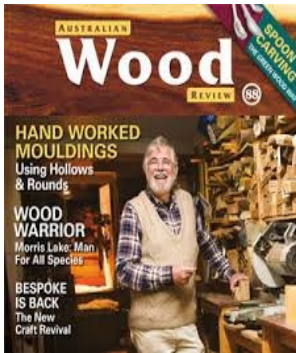

Neil turned plastic bag handles and I as usual turned bobbins. Our sales covered the expenses for the day. There were a few grumbles when the power to the urn failed to heat the water and the coffee was a bit late.

The old machinery etc was quite interesting, about half a dozen sheep were in a small pen waiting to have their wool removed using the old hand sheers. Another plus was come lunch time we strolled down and got sausage or hamburgers on a slice of bread with a cup of tea or coffee for the total sum of \$0-00

The sticky fly's were a bit hard to take but we were in cow farming country, it's the same every year and I always forget to take the fly spray with me. You might consider having a look next year, there is the old store full of antiques and the back yard is full of farm machinery from yesteryear.

Don Mc.

Could all members please check your magazines, the library has two Wood Review magazines that have gone astray, they are No 88 & 89, they went missing before they were catalogued for the library. These are the magazines that the club pay for and it is messing up our collection. Thanks. Don Mc

We wish to thank all of the Woodies who attended our Anniversary / Renewal of Vows on Saturday 23rd April. we also would like to thank all of the members who sent their greetings and for asking after my welfare and to inform members that I am now getting back on track but will be a while recovering from the sudden weight loss and nausea .We hope to get to the Woodies for a cuppa and a chat really soon and look forward to catching up with our woody mates. Thank you. Greggie and Glenda

Congratulations to the Woodturners of the Goulburn Valley on another fantastic Woodturning and Woodworking Show. The raffle was once again very popular and I was honoured to be asked to draw it. Congratulations to all the winners. Proceeds from the raffle will go to making toys for distribution to local charities for Christmas. Thanks GV Woodturners for your hard work and generous support of our community.
